DECIDES AGAINST TEGELER

Justice Clabaugh Upholds the Court-Martial Verdict.

He Does Not, However, Pass Upon the Question of a Militia Officer's Authority Over an Enlisted Man in the Navy - An Appeal Taken.

Justice Clabaugh this morning canounced his decision in the case of Robert G Tegeler, who applied for a writ of habeau tary prison, to which he was consigned the court-martial acted within its juris-

noted an appeal in open court, and the bond was fixed at \$50.

Tegeler is an enlisted man in the United charge of Lieutenant Commander Sher-burne G. Hopkins, of the Naval Battalion District of Columbia National Guard.

Lieutenant Commander Hopkins found

Justice Clabungh stated that without deciding whether or not the authority of

AMERICA'S TRADE IN CHINA.

Marked Increase in the Commer Between the Countries.

In a bulletin just issued by the Treasur Bureau of Statistics, O. P. Austin, chie of that bureau, goes into an ela on of America"s' commerce i hina. He says:
"The official statistics of the Chines

vernment show the total imports from e United States in 1900, the latest year or which reports have been received, were larger than those to China direct, but the Chinese ports have been steadily gaining upon Hongkong, and in the fiscal they have been in a number of days. year 1900 the shipments from the United States to ports of China were nearly doukong \$8,458,978. It appears, therefore, that be upon a 7 per cent annual basis, tional Guard, and Tegeler was detailed as "ship-keeper." The Oneida was piaced in from the United States is now about \$24. was from China and \$1,256,257 from Hong- would soon be forced to abandon their

Lieutenant Commander Hopkins found it necessary to give an order to Tegeler, but the latter refused to obey. Tegeler was then tried by court-martial, composed of officers of the regular service. He was found guilty and sentenced to three months' imprisonment in the military prison at Norfolk, Va. Tegeler filed a petition for habeas corpus to gain his liberty, on the ground that he was not properly convicted, as he was not subservient to the orders of a militia officer.

Argument was heard on the question of Monday last, and the court in disposing of the matter said it was well and exhaustive to an of the matter and it hat the strikers was from Hongkong. "Much interest is felt in the question of distribution of goods from the United States passing into China and the sections continued encouraging. Other strong features of the market, aside from St. Paul, were Union Pacific, Norfolk and Western, the Atchison shares, and Pennsylvania, Brooklyn Rapid Transit was the feature of the local traction group. In the industrial quarter, the United States Steel is sea sewere fairly active and were dealt in at advances in comparison with vester-dors as from the United States enter that country at Shanghai, excepting those which reach that country by way of Hongkong and which are not included in the official reports as from the United States. The officer of the local traction group. In the industrial quarter, the United States Steel is sea sewere fairly active and were dealt in at advances in comparison with vester-dors as from the United States. The official reports as from the United States. cial statistics of imports into China by ports show that of the American goods, valued at 17,163,312 haikwan tae's, import-

deciding whether or not the authority of militia officers extends to and over enlisted men in the United States Navy, the finding of the court-martial which declared Tegeler guilty of conduct prejudicial to good eonduct, was proper. He further stated, however, that the question of the authority of a militia officer over an enlisted man in the navy is a very interesting one and one on which ficer over an enlisted man in the navy is a very interesting one and one on which there should be legislation to determine the extent of the jurisdiction of militia in the extent of the jurisdiction of militia. That goods from the United States are largely consumed in these sections, however, is a well-recognized fact, as is a chosen by the resource of United States. Managers of an Alleged Employment upon the growth in popularity of certain

Managers of an Alleged Employment
Agency Under Arrest.

The first of a series of moves contemplated by the police looking to the suppression of the numerous alleged fraudulent employment agencies was taken today when Edward E. Maddox and Wheatley P. Daniels, who have conducted an "employment agency" at 621 F Street northwest, were arrested by Detective Sergeants Parham, Bauer, and Muller on a charge of obtaining money under false pretences.

The complainant in this case is Daniel Spriggs, colored, of 315 Wilson Street northwest, but the officers say that numerous other cases will be brought against the accused.

Maddox and Daniels refused to make

increased in most layor. Cotton cloth has increased in ten years from 40,000 haikwan taels in value to 677,000, and raw cotton from 259,000 haikwan taels to 1,045,000. Both American drills and American sheetings have come into great favor here, the demand for them having become quite phenomenal. Ten years are American between the buying that has been a feature of the recent market. The bull pools were not entirely absent either, their operations being evident in St. Paul and others of the grangers. St. Paul advanced to above 161, and about 9 noises from

in his report:

"Cotten piece goods show an advance in value of from 14,750,000 to 16,000,000 tacks, the whole of which is practically due to increased receipts of American makes, which now represent about one-half of the value of this branch of the trade.

"American drills have risen from 554,155 pieces in 1837 to 688,2% pieces and American sheeting from 1,259,98 to 1,287,780. American kerosene fell from 4,560,500 to 2,345,300 gallons, while Langkat (Sumatran) rose from 120,000 to 1,352,000 gallons."

The crop news was all good this morning and the friends of the granger securities were again hopeful. The especial factor affecting St. Paul, however, was a factor affecting St. Paul, however, was a

ions.'
The collector at Chefoo, also in north-tern China, lying in the province of intung, in which Germany's port of tochau is located, says in his report: 'In cotton piece goods (not including rancese, the greater part of which are exports from Shanghai) the chief in-ases are American sheetings, 26,000

wel.

"All of the above quotations, which are from customs officials whose reports show out triffing direct importations from the Cnited States, it will be observed, indicate a large growth in the recipts and constitution of marchandise, originating in

mand for them having become quite phenomenal. Ten years ago American drills were valued at 295,000 halkwan taels; in 1898 their value had reached 1,270,000, and American sheetings had grown in the level of a day or two ago. Union Pacific, Missouri Pacific, Atchison, common and preferred, Rock Island, the coal stocks, including Elaltimore and Ohio and the other hand, English sheetings had declined in value from 70,000 halkwan taels, had declined in value from 70,000 halkwan taels, and the Southwestern group, were all buoyant, though to a less degree than St. Paul advanceclined in value from 70,000 halkwan o 52,000."

Paul. The upward movement did not stop until after 11 o'clock, but before noon there had begun a small reaction. The

> factor affecting St. Paul, however, was a rumor that there will be either an increase in the regular dividend rate in September or an extra dividend disbursement. There is nothing official, very surely, on which any such story can be based and the conservative opinion is that the rate will not be changed, at least until tively, however, that the company would be warranted by its earnings and pros pects in increasing the dividend to 7 per cent. As stated yesterday Mr. Miller promises that a much less amount will be expended in betterments this year than last. This fact, with the big wheat crop is sight compared with a small crop last year makes it fairly certain that the earnings of the company leafs.

Baltimore and Ohio was one of the vance seemed to be the result of manipu-lation entirely. The earnings of the com-pany, however, are excellent. The coa-stocks as a group were strong, the Read-ings especially getting to the best prices recently attained.
